Rainbow Towels

Colours do vary but available stock colours can be provided for individual purchasers if requested.

The Rainbow towel is bright, cheerie, VERY useful and economical!

A lightweight, versatile and sustainable towel with a multi-colour stripe design. The towel is part of a sustainable range made with high quality yarn off cuts that artisans have re-purposed, reducing waste and landfill. Every towel is individual!

The lightness of the towel makes it perfect for the home, gym, overnight stays, wrapping up washed hair or for drying off your four legged, furry bestie! With longer weave loops this towel is soft enough to use on all skin types.
